

BOOKWORM CENTRAL MIDDLE SCHOOL BOOK FAIRS 2024-25

The Story Continues

\$18.99

Life is about to change for Melody when she's nominated to be a spokesperson at a symposium in England for kids with different abilities.

She hopes to make a meaningful impact in her speech, rallying for more accessibility for children worldwide.

Out of My Dreams is the 3rd book of the series. See how Melody's story unfolds in *Out of My Mind* and *Out of My Heart*, available in our book fairs!

It doesn't take long for Mia to realize that, in middle school, people can change. Old friends are moving on to different interests, and navigating new friendships can be tough.

Can Mia find her place in school while balancing her extended circle of friends and trying to win the science competition?

Lovable STEM graphic novel for fans of Raina Telgemeier (*Smile*) and Kayla Miller (*Click* series)!

Thrills & Chills

\$21.99

Would you help the man who saved you avoid certain death, even upon discovering he's a scammer?

Follow a monk named Monkey on an adventure across the Silk Road as he travels with Samir, a charismatic swindler who will do whatever it takes to get what he wants.

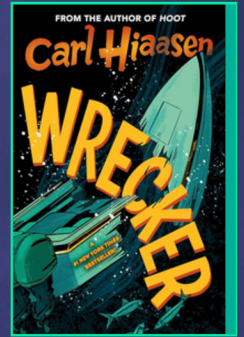

If Monkey wants to be free of his debts, he must save Samir's life from each assassin who threatens to end his life.

Remember 2019, when we saw the very first accurate image of a super massive black hole?

Thanks to the team that created the Event Horizon Telescope, we made a scientific breakthrough. But how did the team do the impossible? It was previously thought that only a telescope the size of Earth would be able to pull this off.

Their curiosity and persistence is sure to inspire all of us.
